\* Prize money listed is based on an example of 17 boats participating in the One Day Blast Pot of Gold & 16 boats in the Kettle of Funfish Optional Added-Value Categories. Scoring is in accordance with regular YCMBT rules. Prize structure is based entirely on number of boats entering each added-value optional category. Should fewer boats actually participate than in the examples, prizes decrease accordingly, just as a greater number of entries increase the prizes. To participate in any Added-Value Optional Category, each boat must be entered in the One Day Blast YCMBT tournament. **Entry fees paid after 3/12/2012 MUST be in the form of cash or cashier's check.** Please see official rules for details. \*\*The 30th Anniversary \$1,000 prize will be awarded to the registered angler who catches the single eligible fun fish (Dolphin, Tuna, Kingfish or Wahoo) weighing closest to 30 lbs. on Saturday only. This prize is available to anglers in both the one day and two-day YCMBT tournaments. If there is a tie, the winner will be the angler whose fish is weighed first.
